# *Technical Study for Global Dossier*

---

**ASEAN SUB-REGIONAL WORKSHOP**  
**September 6 to 7, 2012**

**JAPAN PATENT OFFICE**

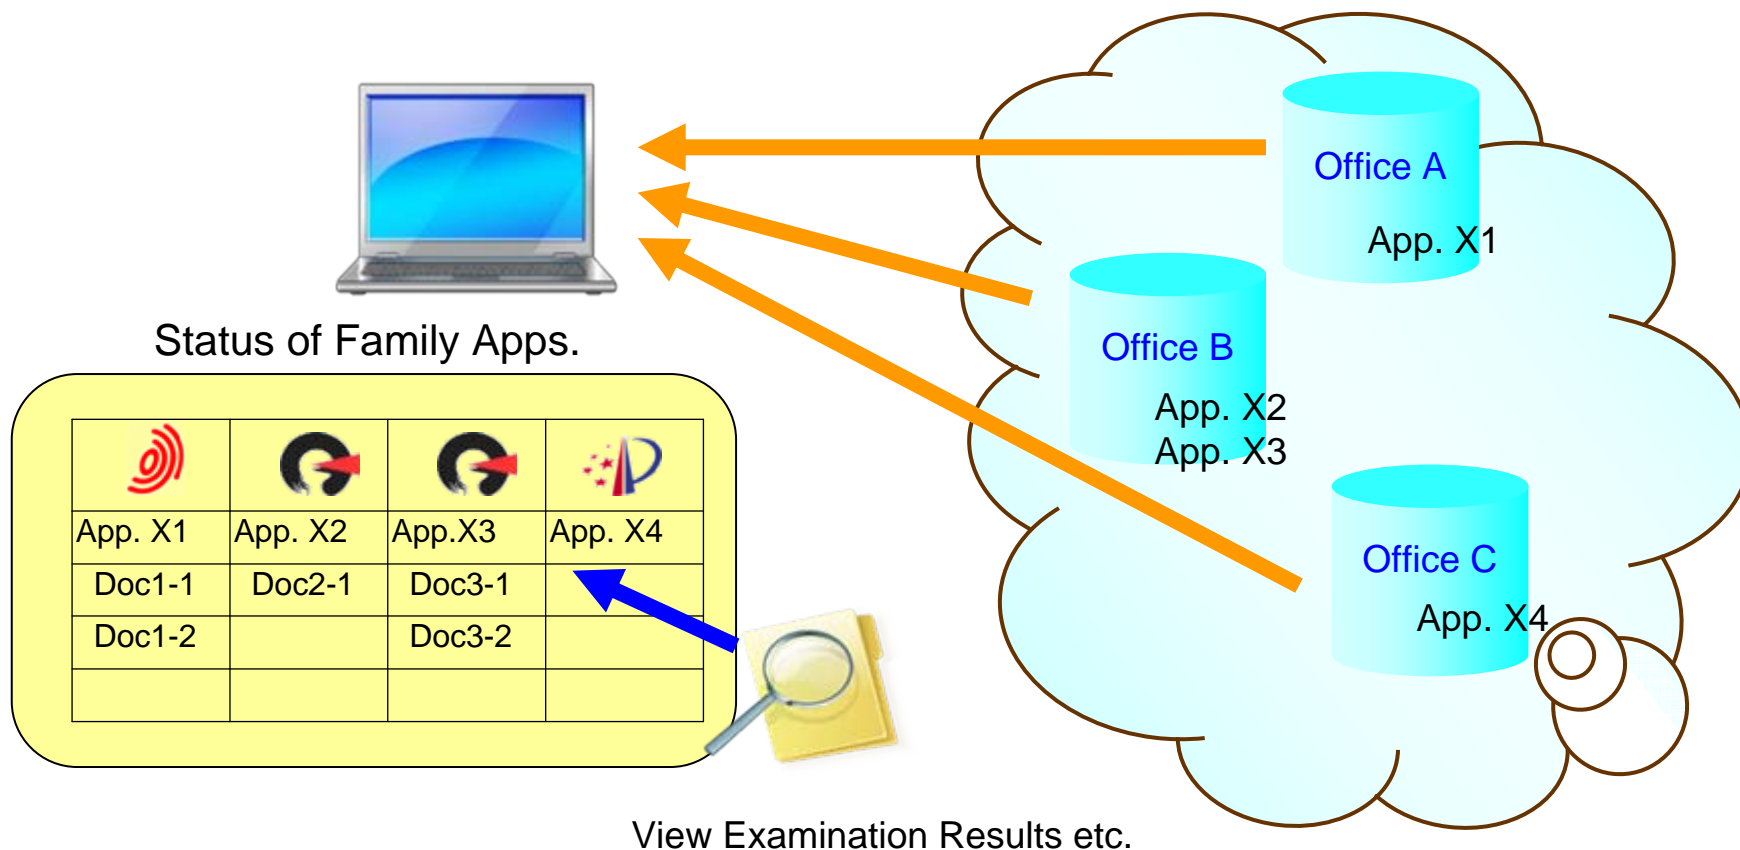

# ***Introduction***

Global infrastructure to ensure “one-stop” access to dossier information of multiple countries for all stake holders

- “One-stop” access to dossier info
- Beneficial for all stakeholders
- Umbrella approach – common goal to consolidate existing projects
- Cooperation between the IP5 and WIPO

# Worksharing among Offices

- Status and documents of family applications at a glance
- Examination Results / Search Records can be shared
- US IDS, EP Rule 141 requirements could be complied
