Future IP in Myanmar

- To Establish necessary infrastructure
- To educate the public
- To train officials and staffs of IP office
- To close co-operation with WIPO and IP Offices in member countries

Conclusions

- New IP Laws will be promulgated in near future and Myanmar also hopes that there will be more contact and close cooperation with AMS IP offices.
- Myanmar needs comprehensive and effective IP protection to promote foreign investment and technology transfer as well as for boosting industrial development.
- It is important to set up an appropriate legal IPRs system and also need to upgrade system practices.
