Dear Dr. Francis Gurry,

First of all, I would like to express my sincere thanks to you and your colleagues from the Regional Bureau for Asia and the Pacific for having bilateral meetings with the Delegation of Viet Nam on the sidelines of the WIPO General Assembly.

I am pleased to refer to the Project on Establishment of Enabling IP Environment (IP Hub), which is one of the topics discussed at our meetings.

Having considered the project's description document sent by colleagues from ASPAC Bureau, we highly appreciate the project's objectives that aim to establish an active community with strong linkages and collaborations among stakeholders, and to enhance technology management skills of beneficiary institutions and

IP Viet Nam to join the EIE Project

As you may know, Viet Nam is on the process of building and developing the sustainable innovation and entrepreneurial ecosystem, and we expect that this Project and its objectives will make a huge contribution to our strategic goal. Moreover, with support from our national network of TISCs, we are convinced that Viet Nam is capable to efficiently implement the Project toward expected outcomes. Therefore, we would kindly request for the participation of Viet Nam in this Project. On this occasion, I would like to wish you and your colleagues good health, happiness and great success.

Sincerely yours,

SIGNED
