DISCUSSIONS, CONCLUSIONS AND DECISIONS

6. As decided by the Governing Bodies of WIPO at their tenth series of meetings held from September 24 to October 2, 1979 (see document AB/X/32, paragraphs 51 and 52), the report of this session reflects only the conclusions of the Committee (decisions, recommendations, opinions, etc.) and does not, in particular, reflect the statements made by any participant, except where a reservation in relation to any specific conclusion of the Committee was expressed or repeated after the conclusion was reached.

PROCEDURE FOR ADOPTION OF AMENDMENTS AND ADDITIONS TO THE THIRTEENTH EDITION OF THE LOCARNO CLASSIFICATION

7. Discussions took place on the understanding that:
 - (i) for amendments and additions to the Locarno Classification (hereinafter referred to as the "Classification") not entailing a transfer of goods from one class to another, a simple majority of the countries of the Locarno Union was required under Article 3(4) of the Locarno Agreement;
 - (ii) for the transfer of goods from one class to another, unanimity among the countries of the Locarno Union was required under the same Article 3(4).
8. The Committee noted that countries of the Union not represented at the session or not having expressed their vote during the session or within the period prescribed by the Rules of Procedure of the Committee were considered to have accepted the decisions of the Committee, as set forth in Article 3(6) of the Locarno Agreement.

CONSIDERATION OF PROPOSALS FOR AMENDMENTS AND ADDITIONS TO THE THIRTEENTH EDITION OF THE LOCARNO CLASSIFICATION - VARIOUS PROPOSALS

9. Discussions were based on project [LO152](#), [Annex 1](#), which contained a summary table of proposals for amendments and additions to the current (thirteenth) edition of the Classification.

REVISION MANAGEMENT SOLUTION (RMS)

11. Discussions were based on project [LO152](#), [Annex 2](#), submitted by the International Bureau. This project aims to facilitate the revision process of the Classification from the preparation and presentation of proposals for modifications to the publication of new editions.
12. The Committee was supportive of the project and welcomed every improvement.
