Madam,
Sir,

PCT Office Feedback Survey 2022-2023

This Circular is addressed to your Office in its capacity as a receiving Office, International Searching Authority (ISA), International Preliminary Examining Authority (IPEA) and/or designated or elected Office under the Patent Cooperation Treaty (PCT). It invites your Office to participate in the “*PCT Office Feedback Survey 2022-2023*” regarding services provided to your Office by the International Bureau of the World Intellectual Property Organization (WIPO) in 2022 and 2023.

The aim of this survey is to assess your level of satisfaction with the PCT services provided by the International Bureau of WIPO over the last two years. The responses will be used to identify PCT services within the International Bureau in need of improvement as well as to develop performance indicators for the PCT Program Performance Report to be prepared for the WIPO’s Program and Budget Committee before end of April 2024.

You are kindly invited to complete the on-line questionnaire, which is available in ten publication languages of the PCT; instructions as well as a copy of an editable version of the questionnaire are located on the first page of the survey, available on this web page: <https://surveys.wipo.int/s3/PCT-Office-Feedback-Survey-2022-2023>. You may use the editable version of the questionnaire to familiarize yourself with the subjects and questions or to receive inputs from other colleagues within your Office before starting to fill in the on-line questionnaire in one of the available languages.
