Registration of the International Patent

Offer Number:

Dear customer!

The registration includes neither the response to the significant objections raised to the office of the United States Patent and Trademark Office (USPTO), nor the protest of any third party raised against the international patent application. This form is the offer of our company for the annual registration of your international patent application in our internet database of the international patent applications published in www.wipd.biz. Applicant in the sense of the provision § 275 para 4 law no. 513/1991 Coll., Commercial Code, accepts this motion of Provider to the concluding of the contractual relationship by the execution of the non-cash settlement of the annual registration price to the account of Provider. By the settlement of the price Applicant agrees that the contractual relationship shall be governed by the company general terms of business, specified on the second page of this application; the issues not modified by these terms shall be governed by the law no. 513/1991 Coll., Commercial Code. By the acceptance of this motion Applicant hereby declares to familiarize himself with the General Terms of Business and to read them; furthermore, he declares to agree with their wording.
